

South Nodaway R-IV Educator Stipend

Teacher Eligibility:

- Teacher must be a full time employee of South Nodaway.

Stipend Criteria:

- The stipend is for \$1000 for 40 hours of non-contract student contact/professional development activities.
- 32 of the 40 hours must be student contact hours. 8 hours may be used for Professional Development.
- Teachers will submit responsibilities for accumulating 40 hours on the approved forms to their building principal.
- There is no limit to the number of responsibilities a teacher may have.
- Teachers will have student sign in sheets for verification of students contact hours. Sign off sheets, certificates, or verification from a university may be used to verify Professional Development.
- Teachers will also submit the electronic time sheet used for Career Ladder as verification.
- All verification for the Educator Stipend must be turned into the building principals by the first Friday in May.
- The stipend will be paid in the May payroll.
