Alternate Routes will only be used when there is a driver shortage. A textcast will be sent out as soon as possible if the 2 route system will need to be utilized. Take home times can vary by 10-15 minutes depending on who rides the bus each night, so please plan accordingly. We will wait only one minute at each stop. For younger riders.....Please have an adult present at designated drop off point and time in the afternoons so drivers can be assured that students are not being left alone.
